Do you plan to hold paid art workshops for visitors?

I agree to the terms of commitment above.

Open Studios Sunshine Coast Participant

I understand that my acceptance into the Open Studios Sunshine Coast event depends on my studio meeting the required criteria. I will be refunded the total amount of \$200.00 if rejected for any reason. Artists will be advised of their inclusion following a studio visit by committee members to assess the suitability of their studio. This fee includes public Liability Insurance. This fee is payable on selection. In return for this investment, all artists will have their studio promoted as part of the event in our printed Studio Guide to be distributed throughout the Sunshine Coast in the weeks prior to the event. They may also have their studio featured in our social media, advertising and editorial coverage. Please note that whilst best efforts will be made to feature a wide variety of artists and studios in our promotional material, not all individual studios will be featured in our marketing.
