Arts Connect Inc.

Arts Connect Inc. is delighted to present Open Studios Sunshine Coast 2023.

The range of creativity on the Sunshine Coast is once again on display and a highlight for the Sunshine Coast Calendar.

We invite you to immerse yourself in an artistic adventure and plan your own self-guided trail.

Over 70 artists and galleries are sharing their studio spaces and galleries again this year and they welcome visitors from all over Queensland, interstate and overseas. They are offering you experiences and the opportunity to see inside their creative process and purchase direct from the artist.

During these 10 days, workshops are also being offered which allow the visitor to engage and experience the vibrancy of the arts culture on the Sunshine Coast throughout the Hinterland and Coastal regions and enjoy the hospitality of the cafés and restaurants of the region.

About Arts Connect Inc.

Arts Connect Inc. is a member based not-for-profit volunteer run artists group which aims to support and promote artists on the Sunshine Coast by providing opportunities to exhibit their work and develop their skills as artists. Our annual program includes two flagship events: Open Studios Sunshine Coast and Sculpture on the Edge Sunshine Coast. → HOW TO PLAN YOUR ART TRAILS

How to use our trail maps

We have divided open studios into 2 regions over 2 weekends and 7 art trails. All of our artists' studios and galleries appear on either the Hinterland Trails or the Coast Trails, so that you may wander and explore the Sunshine Coast's diverse arts scene as you wish.

The full map of the region shows the location of each of the 77 participating artists and galleries. Each artist and gallery profile listed in these pages includes their studio/gallery address, opening times and a map reference, so you can create your own self-guided tour. Please note, maps are illustrative, not indicative of actual distance.

Trail Journey App

Visit the Open Studios website to download the Trail Journey App. Search, filter and scroll through all the artists and add them to the days you are planning to visit them, one journey for each open day. You can add and remove artists to each journey, then when you are ready, press 'Start' and the app will open Google maps and navigate you to each stop following the shortest path possible.

Studio dates and opening times

All of the artists will be open from 10am-4pm on the weekend they fall in to.

Hinterland studios 19-21 May

Coast studios 26-28 May

Some studios are also open on the weekdays from 10am-4pm in the 5 days between the Hinterland and the Coastal weekends, please check their listings to ensure they are open when you plan to visit.

Gallery dates and opening times

Although the galleries will be open on either the Hinterland or Coast trail dates, their times may differ from 10am-4pm. Please check each listing for their opening times.

Signage

Easy to spot signage will be placed outside studios and galleries so keep an eye out for our flag banners and signs on your way around the art trails.

When you are out and about visiting studios and galleries, please support those who support us. **Share a social post and tag #openstudiossunshinecoast and/or @openstudiossunshinecoast**

We hope you enjoy this unique opportunity to connect with a beautiful vibrant community of artists and creative people.
